

Viral TikTok Sensation &  
Gold- Recording Artist

*iCandy*

ELECTRONIC PRESS KIT • 2025

# Bio *Who is iCandy?*

Playful, confident, and unapologetically bold, iCandy crafts infectious soundtracks perfect for every girl's night out. Since her early days as a teen rapper, she has mastered the art of blending punchy lyricism with emotional transparency, creating anthems that resonate with both the glamorous "it girls" and everyday women seeking empowerment. Her breakout single, "Keep Dat," a fiery anti-ex anthem, catapulted her into the spotlight with millions of streams, a gold record certification, and a loyal fan base ready to dance away toxicity. With each release, iCandy redefines fun, freedom, and femininity, and she's poised to raise the bar even higher with her next hit.
